

## ORGANIC RICE PROTEIN 75% - FEED GRADE

**Description:** Organic Rice Protein 75% - Feed Grade is a light beige colored powder, produced from allergen-free and non-GMO local organic rice. It is a source of protein with excellent digestibility. This product is Hypoallergenic, Halal and Kosher certified and vegan friendly, furthermore no GMOs are used.

| Typical Analysis         |        |                            |
|--------------------------|--------|----------------------------|
| Characteristic           | Units  | Limits                     |
| Color                    | Visual | Light beige colored powder |
| Protein (On as-is basis) | %      | 71-79                      |
| Moisture                 | %      | ≤6.0                       |
| Ash                      | %      | ≤6.0                       |
| Starch                   | %      | Negative                   |
| Fiber                    | %      | ≤5.0                       |
| Fat                      | %      | ≤10.0                      |
| pH                       | -      | 5.5-8.0                    |
| Aflatoxins (B1+B2+G1+G2) | ppb    | ≤20.0                      |

| Microbiological Attributes |                |
|----------------------------|----------------|
| Total Plate Count          | ≤50000 cfu/g   |
| Total Coliforms            | ≤100 cfu/g     |
| E-Coli                     | Absent cfu/g   |
| Yeast                      | ≤200 cfu/g     |
| Mold                       | ≤100 cfu/g     |
| Salmonella                 | Absent cfu/25g |

| Heavy Metals |            |
|--------------|------------|
| Lead         | <1.0 mg/Kg |
| Arsenic      | <1.0 mg/Kg |
| Cadmium      | <0.1 mg/Kg |
| Mercury      | <0.1 mg/Kg |

| Packaging & Storage                                                                                                                                                                   |                   |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|
| <b>Shelf Life:</b> Best if used within 24 months from date of manufacturing. Rice Protein should be stored in cool and dry location (i.e., Temperature <90 F) and away from sunlight. |                   |
| Material                                                                                                                                                                              | Net Weight        |
| Jumbo bags                                                                                                                                                                            | 800 Kg/bag        |
| 3 ply paper bags, polyethylene                                                                                                                                                        | 20 Kg & 25 Kg/bag |

| Origin and GM Status                                                                  |  |
|---------------------------------------------------------------------------------------|--|
| <b>Origin:</b> This product is produced using non-GMO organic rice grown in Pakistan. |  |
